TST
EXPERTS AT YOUR SERVICE

Third Party Multi Vendor Break Fix Services

- Onsite Service for laser, thermal, line, dot matrix printers
- Authorized & Certified Service Provider for Printer Manufacturers
- *Nationwide service and support- both US and Canada*
- *7 X 24 call center – 888-849-0341 or service@tstservice.com*
- *TST allows resellers, VARS, OEM's, manufacturers and service providers to increase revenue and profits by allowing them to have new or extended break fix service offerings, while reducing their internal overhead*
- *VARs and Resellers can enhance their competitiveness, pursue larger opportunities, expanded geographical coverage, by leveraging TST's experience level, and receive presales support for larger deals.*
